

◎ Birthdays are fun

1. I like ___ birthday. Grandma and I make a big cake. That's fun. My friends come to ___ flat and ___ play games and eat a lot of good things. Grandma helps and my dad always gives ___ a great CD.

3. I love birthdays. I get a lot of cards and presents from my friends and family. I always write a birthday list. My parents don't give me many presents. ___ often give me money. And I always get a present from my dog, too.

2. My birthday is in July. This year I want to have a party in the park and play football. My friends love football. Then I want to go to a burger bar with _____. But I hope _____ don't sing "Happy Birthday"!

4. I always have a party with my friends. My dad makes the invitations on _____ computer. My mum often makes a chocolate cake. That's my favourite! And Nasreen goes to ___ friend's house. That's great!
